

## Dropout Rate 2005 Code Book

*Note: in accordance with the Family Educational Rights and Privacy Act of 1974, data pertaining to fewer than ten students have been replaced with a negative nine (-8) to protect student privacy.*

County	County Name
Districtid	District level unique identifier assigned by the Arizona Department of Education (ADE).
District_name	District Name
Enrollment	The total count of students who were enrolled on the last day of school the previous school year, or at any time during the following school year, and used as the population figure against which dropouts are subsequently compared. Moreover, it is seen as a roster that changes continually (even during the summer months) as students enroll, transfer to other schools, dropout, or graduate. Schools are responsible for monitoring and reporting their enrollment from the end of the prior school year to the last day of the reported school year. Students who are promoted from elementary feeder schools become the reporting responsibility of the schools in which they are <i>expected</i> to enroll.
Entityid	School level unique identifier assigned by the Arizona Department of Education (ADE)
Entity_name	School name
Numb_dropout	The number of students who were enrolled in school at any time during the school year but were not enrolled at the end of the school year and did not transfer, graduate, or die.
Numb_status_unknown	The number of students who have withdrawn due to 10 consecutive days of unexcused absence or when the student's status or location is unknown.
